The Parish Meeting is a statutory meeting and should normally assemble between March and June, but this hasn't been possible over the last couple of years because of Covid. The aim is to return to the proper schedule in 2023. A Parish Meeting allows local electors to discuss parish affairs on any public matter of a parochial nature and, if appropriate, pass resolutions on the public activities or policies of the Parish.

The APM will not be the formal, sit-down meeting as previously held. Local clubs and organisations will be able to publicise their activities by either wearing a name badge so they can be easily identified or by setting up a "show & tell" stall. Electors can then choose who they want to chat to and when. There will be opportunities at the beginning and toward the end of the evening to raise questions and for general discussion.

**Please come along!**
